Dear WCS Community,

Earlier today, at Fitzgerald High School in Fitzgerald Public Schools, a student was stabbed during an altercation and tragically died as a result. Although this incident did not occur in our district, when a tragedy like this happens, the Warren Consolidated Crisis Response Team includes it in our on-going review of our crisis procedures.

As always, we continually look for real solutions that support student safety and maintain positive relationships. Most important, our best course of action is to encourage our students to report difficult information to the adults in their lives, which has served us very well in our schools and community.

On behalf of the entire WCS community, we extend our deepest sympathies to the victim's family and send our support to the entire Fitzgerald community.

Sincerely,

Robert D. Livernois, Ph.D.
Superintendent
