Carter Middle School
12000 Masonic Blvd.
Warren MI 48093
VIA EMAIL: hendrya@wcskids.net

Dear Principal Hendry,

I am very pleased to inform you that Carter Middle School's Michigan Green Schools Program application has been accepted. After a thorough review, it has been determined that your school has achieved the designation of Evergreen for the 2010-11 program year. Congratulations!

The Board of Commissioners is very proud of the efforts of your program coordinator, Susan Flis, and the students, staff and Carter Middle School community. We know that it takes extra time to set these initiatives in place, and truly appreciate that your students now have firsthand exposure to protecting resources, saving energy and emerging issues. Getting kids in the practice of being environmentally responsible is an integral part of developing and maintaining a green and sustainable future.

We look forward to honoring your school's special achievement on Monday, April 11, 2011. Please join us at 11 a.m. in the Central Training Rooms located at the south end of the MISD Building at 44001 Garfield Road in Clinton Township. We can accommodate two representatives per school; in addition your superintendent has been invited.

The celebration this year will include the exciting announcement of the results, and check presentation, for the three Sterling Heights Green Schools that participated in the AT&T Project ReDirectory Challenge. Also, important information regarding changes to the law establishing the Michigan Green Schools Program and the Macomb County program for the 2011-12 cycle will be distributed. Resource information and an idea sharing area as well as vendor displays will be available. In addition, if your school has collected crayons for recycling, you may bring them to this event.

Please RSVP by April 1, 2011 with the names of the individuals who will represent your school to Patti Dib at (586) 469-6484 or patti.dib@macombcountymi.gov.

Sincerely,

Kathy D. Vosburg
Board Chair
