

## **ATTENTION WCS PARENTS!**

### **ACTIVITY FEE INFORMATION**

WCS will charge an activity fee starting this year for students in Grades 6-12 to participate in any club, athletic, or academic program (example - NHS) that is scheduled to meet, practice or play outside of scheduled class periods and not connected to the instructional day.

- ✓ Middle schools will charge an annual fee of \$50 per student.
- ✓ High schools will charge an annual fee of \$75 per student.

This one-time annual fee entitles a student to PARTICIPATE in as many of these extra curricular activities as he or she chooses for the entire year. The fee does not guarantee placement or playing time on an athletic team. There is no fee for students in grades K-5.

Payments for the Activity Fee will be accepted via debit or credit card on the district's website. Payment in cash or check can be made in person at the Administration Building, 31300 Anita, Warren, MI.

**We will begin accepting payments September 1st.**
