The Importance of Early Childhood Education

Early Childhood Education is a vital foundation for strong schools and a strong economy. It prepares tomorrow’s workforce for global competition, while ensuring that children of today enter school ready to succeed. Studies show that children entering kindergarten with skills they need to succeed are more likely to graduate high school and become productive workers.

The Warren Consolidated Schools Early Childhood Education Programs provides a positive learning environment in which children may experience developmentally-appropriate academics, social and emotional growth. Three and four year old children are welcomed into inviting classrooms by qualified, experienced, caring teachers committed to fostering a love for learning. Children will explore learning through hands-on activities in an atmosphere where independence is encouraged to build each child’s self-confidence. The preschool curriculum has been developed in accordance with the Michigan Department of Education Standards for Excellence in Early Childhood Education and concentrate on five core areas:

Parent Involvement

Parent involvement is a critical component in fostering a child’s educational success. Research indicates that parents who are engaged in their child’s education are likely to achieve high levels of academic success. Warren Consolidated Schools teachers and staff are committed to partnering with parents to promote all children’s success.

There are so many ways to be involved in your child’s preschool experience. These are just some of the ways that you can help and let your child know that you believe school is important:

- Attending Parent-Teacher Conferences. This is your opportunity to meet individually with your teacher to review their growth, progress, and any areas of concern. Conferences will be held two times per year
- Reading school notes and newsletters.
- Reading to your child every day.
- Ask open-ended questions that allow your child to tell you in their own words, not just answer yes or no.
- Listen to your child’s stories about school and their new friends.
- When it’s time and your schedule permits, sign up to help in the classroom on your child’s special day.
- Let your child see you being supportive of the teachers and school
- Keep the lines of communication open.
- Attend school functions when possible.
- Attend parent activity nights.

Keeping Open Communication

Communication between home and school is extremely important in order to ensure the success of your child. Please feel free to discuss any concerns you have with your child’s teacher. Unfortunately your child’s teacher may not be able to freely speak with you about concerns at drop-off or pick-up times; so instead, we encourage you to ask the teacher to arrange a special meeting or phone conference, at a time that is convenient for all parties involved.

If Warren Consolidated Schools is closed due to weather conditions or building problems, all Early Childhood Education Programs will also be closed. Please listen to local TV or radio stations for information regarding school closings, or visit the District website @ www.wcskids.net

Child Release
Warren Consolidated Schools requests that a copy of the Judge’s order establishing custody be on file in order to prevent a non-custodial parent access to their child. According to the Michigan Department of Child Day Care Licensing: “Until custody has been established by a court action, one parent may not limit the other from picking the child up from your (preschool program) care. The child information card that the enrolling parent signs states “persons other than parent...” It is not within your (preschool program) legal right to withhold a child from a parent; unless there has been court action which limits one parent’s right to the child”. Identification will be required from individuals picking up a child with whom the staff is unfamiliar.

Class Changes
Requests for changes of class times or locations will be honored on a space-available basis. There is a $10 fee to change a class.

Communication Policy
Our staff is committed to providing a safe and educational environment for your student. Please communicate any related concerns to your teacher. If additional assistance is needed or to discuss a grievance, please contact the Administrator of Assessments, Latchkey, and Preschool, Theresa Callahan, at 586.698.4046

Confidentiality Policy
Any information provided to the staff is kept confidential and used for school purposes only.

Discipline Policy
It is the policy of Warren Consolidated Schools to provide a safe, comfortable and relaxed environment for our students. Staff will use positive, developmentally-appropriate methods of discipline which encourage self-control, self-direction, self-esteem, and cooperation. We encourage all children to follow the rules of the classroom to provide a safe environment.

Teachers will work directly with parent(s) to correct continued or extreme unacceptable behavior. In keeping with the State of Michigan Licensing Rules for Child Care Centers, persistent, disruptive, dangerous and/or destructive behaviors will result in exclusion from the program.

Emergency Procedures
In the event of an emergency building closure or evacuation, students will be bused to a nearby school with sufficient instructional space available. Parents will be informed immediately. If the situation allows, student will be bused back to their original location for normal dismissal. Please be sure to have your current contact information up-to-date.
Health Appraisal and Immunizations

In the Registration Packet, you will find the Board of Health Schedule of Immunization Requirements. Please look over the schedule of shots and make a note of when your child is due for a booster or any other shots in a series. According to this schedule, all children by the age of four (4) should have had:

- Four (4) doses of DTP
- Three doses of Polio
- Three (3) doses of Hepatitis B
- Two (2) doses of Hib
- One (1) dose of Varicella
- One (1) dose of MMR
- One (1) dose of Pneumococcal Conjugate

These boosters will meet the requirement for kindergarten registration.

The Board of Health requires we run reports which monitor the children in Preschool for shot updates. If you receive a letter regarding shot requirements for your child’s immunizations, you will then have two weeks to comply. If after two weeks the immunizations are not complete, your child will be asked to leave the school until the requirements have been met.

If you have any questions regarding immunizations or do not understand the series of shots required, please call the Macomb County Health Dept. at 586-466-6800; if you live in Troy, the Oakland County Health Dept. at 248-424-7046.

Updated shots must be reported to the Early Childhood Secretary at 586-698-4046 and a copy of the updated report given to the teacher for her records.
