Vision Statement: Harwood Elementary School honors diversity and inspires a passion for personal success.

Mission Statement: The mission of the Harwood Elementary School community is to cultivate personal success. We instill a sense of wonder, integrity, optimism, and responsibility to empower success as knowledgeable members of the global community.

Purpose: In support of the Harwood Elementary School's Mission Statement, please review the current Parent Involvement Plan. We encourage your support and input to become an active participant in your child's education this year. If you have any questions, please call our school at 586-825-2650.

Parent Involvement means the participation of parents in regular, two-way and meaningful communication for student academic learning.

- Parents have access to teachers on a daily basis through email, phone, and face-to-face meetings at dismissal.
- Parents are full partners in their child's education and are included, as appropriate, in decision making in their child's education
- Parents have the opportunity to create, design and evaluate the parent involvement policy and parent compact at the Annual Title I Fall and Spring Parent Input Meetings.
- Parents can attend other parent meetings/workshops, which are held on various days of the week, and various times throughout the school year. During these meetings, parents are given suggestions and materials to assist with use of technology and educational activities at home to promote parental involvement.
- Parents are able to give feedback, which is gathered in the form of surveys, at the end of each meeting as well as an "end of the year" survey.
- Timely information is available to parents through weekly school newsletters, classroom newsletters, and the Harwood webpage.

Harwood Elementary will foster and encourage the school's and parents' capacity for a strong community contribution.
