Flynn Middle School Annual Education Report (AER) Cover Letter

August 19, 2013

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2012-2013 educational progress for the Flynn Middle School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Mary Ann Figurski, Principal, for assistance.

The AER is available for you to review electronically by visiting the following web site http://www.wcskids.net/curriculum/annual_report/aer or you may review a copy in the principal's office at your child's school.

The state has identified some schools with the status of Reward, Focus, or Priority. A Reward school is one that is outperforming other schools in achievement, growth, or is performing better than other schools with a similar student population. A Focus school is one that has a large achievement gap in 30% of its student achievement scores. A Priority school is one whose achievement and growth is in the lowest 5% of all schools in the state.

Our school has been identified as a "FOCUS" School this year.

Despite the "FOCUS" School designation by the State of Michigan, Flynn made Adequate Yearly Progress (AYP) in English-Language Arts and Mathematics. Due to this status, Flynn has implemented numerous intervention programs to provide students with an opportunity to experience success in school. Our intervention specialists have seen significant gains in the areas of reading and mathematics during the course of the 2012/13 school year. Flynn Middle School continues to seek the research based best practices, instructional practices that will increase the achievement of our students.

State law requires that we also report additional information:

1. PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL – Students are assigned to schools according to their address of residence within the district’s boundaries. Parents may request another school within the District under the Open Enrollment process, however, transportation is not provided. The Board of Education has determined that it will allow nonresident students, residing within the Macomb ISD, but whose parent(s) reside in the District, and who qualify to enroll in the District through a Schools of Choice program.
2. Flynn Middle School is in the 4th year of its School Improvement Plan.
3. Warren Consolidated Schools offers several specialized programs to meet the needs of a variety of learners.

The **Macomb Math and Science Center (MMSTC)** is an honors program for 9th – 12th grade students in 11 Macomb County districts who are interested in advanced/accelerated mathematics, science, and computer technology. Students must apply and be selected for the program based upon placement testing and teachers recommendation. The Center’s program is a half day and students attend their home school for the remainder of the day.

The **Career Preparation Center (CPC)** programs are open to Clintondale, Fraser, and Warren Consolidated 11th and 12th grade students. CPC programs are designed to provide students with skills to enter the workforce or continue with additional college or workplace training. Career Technical Education (CTE) classes at the CPC provide technical skills and knowledge. Students enrolled in these programs are often able to earn technical certifications as well as college credit.

Community High School and North Star Academy are alternative education programs for middle and high school students. Both programs are located at the Butcher Educational Center.

4. Warren Consolidated Schools follows all State of Michigan curriculum guidelines. The Board of Education has adopted a core curriculum based on Michigan Curriculum Framework, Grade-Level Content Expectations/Common Core State Standards, and Michigan Merit Curriculum approved by the State Board of Education. A copy of the core curriculum may be assessed at www.wcskids.net.
5. The chart below includes the Fall 2012 and Spring 2013 IOWA test results. The Math scores represent the overall National Percentile Rank of each grade level on the Mathematics sub-tests. The ELA Total scores represent the overall National Percentile Rank of each grade level on the English-Language

Arts composite of sub-tests. A "percentile rank" is a number that represents our students judged against all other students of the same age who take the IOWA test nationally. For example, if our 8th grade scored a 43% on this measure during the spring of 2013, that means that, on average, our 8th graders score better than 43% of the rest of the 8th graders nationally who took this test.

	Fall '12 Math	Spring '13 Math	Fall '12 ELA	Spring '13 ELA
6th Grade	34	35	35	40
7th Grade	31	35	34	40
8th Grade	35	44	32	43

6. Parent – Teacher Conference Information – Parent Participation at Fall and Spring Conferences.

	Fall	Spring
2011-2012	65%	51%
2012-2013	70%	52%
Change	+5%	+1%

The entire staff at Flynn Middle School is committed to providing students with a safe, positive learning environment. Students are encouraged to become responsible and respectful citizens as well as lifelong learners. Administrators, teachers, parents, and students continue to work together to bridge the learning gap in our building. This collaborative partnership will only strengthen the learning environment at Flynn Middle School.

Sincerely,

Maryann Figurski
Principal
