## Warren-Mott High School Annual Education Report (AER) Cover Letter

August 19, 2013

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2012-2013 educational progress for the Warren-Mott High School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact John Dignan, Principal, for assistance.

The AER is available for you to review electronically by visiting the following web site [http://www.wcskids.net/curriculum/annual\\_report/aer](http://www.wcskids.net/curriculum/annual_report/aer) or you may review a copy in the principal's office at your child's school.

The state has identified some schools with the status of Reward, Focus, or Priority. A Reward school is one that is outperforming other schools in achievement, growth, or is performing better than other schools with a similar student population. A Focus school is one that has a large achievement gap in 30% of its student achievement scores. A Priority school is one whose achievement and growth is in the lowest 5% of all schools in the state.

Our school has been identified as a "FOCUS" School this year.

This past spring, our 2013 11th graders demonstrated proficiency scores as follows respective to the Michigan Merit Examination: Mathematics—22%, Reading—45%, Writing—48%, Science—17%, and Social Studies—30%. These aforementioned scores represent all students including those with special needs and English language challenges. Given these proficiency rates, the Warren Mott High School administrative, school improvement teams and faculty are instituting several initiatives designed to improve overall student achievement.

First we are continuing to implement a close and critical reading focus in all core and elective courses throughout the school year. This two-year initiative has already demonstrated growth in overall achievement.

Second we are adding supplemental after school tutorial support that targets the four core academic areas of English, mathematics, science and social studies. This is available to all students.

Third we are adding an on-going online credit recovery program to allow students who experience academic failure opportunities to re-take and experience needed core college readiness coursework required for graduation. When students see a navigable path toward a long-term goal they are more motivated to succeed. Next, we are providing direct interventions to students who have not demonstrated college readiness proficiency in core English, mathematics and science courses with highly qualified instructors. Additionally we are locking all core subject instruction into year-long experiences for all students. No longer will Warren Mott students be required to move teachers at semester's end, re-learn classroom expectations and teaching styles while moving forward along the curricular path. Finally we are working to supplement our comprehensive high school experience with mentoring and positive support groups for all students. These mentoring programs facilitate proactive engagement in the learning process. With these aforementioned initiatives, the faculty of Warren Moss shall endeavor to put student achievement as a primary focus in all things we do.

State law requires that we also report additional information.

1. PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL – Students are assigned to schools according to their address of residence within the district's boundaries. Parents may request another school within the District under the Open Enrollment process, however, transportation is not provided. The Board of Education has determined that it will allow nonresident students, residing within the Macomb ISD, but whose parent(s) reside in the District, and who qualify to enroll in the District through a Schools of Choice program.
2. Presently, Warren Mott High School is entering the third year of our five year school improvement plan. The process is dynamic and self-reflective.
3. Warren Consolidated Schools offers several specialized programs to meet the needs of a variety of learners.

The **Macomb Math and Science Center (MMSTC)** is an honors program for 9<sup>th</sup> – 12<sup>th</sup> grade students in 11 Macomb County districts who are interested in advanced/accelerated mathematics, science, and computer technology. Students must apply and be selected for the program based upon placement testing and teachers recommendation. The Center's program is a half day and students attend their home school for the remainder of the day.

The **Career Preparation Center (CPC)** programs are open to Clintondale, Fraser, and Warren Consolidated 11<sup>th</sup> and 12<sup>th</sup> grade students. CPC programs are designed to provide students with skills to enter the workforce or continue with additional college or workplace training. Career Technical

Education (CTE) classes at the CPC provide technical skills and knowledge. Students enrolled in these programs are often able to earn technical certifications as well as college credit.

**Community High School and North Star Academy** are alternative education programs for middle and high school students. Both programs are located at the Butcher Educational Center.

4. Warren Consolidated Schools follows all State of Michigan curriculum guidelines. The Board of Education has adopted a core curriculum based on Michigan Curriculum Framework, Grade-Level Content Expectations/Common Core State Standards, and Michigan Merit Curriculum approved by the State Board of Education. A copy of the core curriculum may be assessed at [www.wcskids.net](http://www.wcskids.net).

5. THE AGGREGATE STUDENT ACHIEVEMENT RESULTS THE NATIONALLY NORMED ACHIEVEMENT TESTS (IOWA) IS AS FOLLOWS:

Grade	9	10	11	12
IOWA Composite Percentile Rank (Test Date: 9/10/12)	46	50	47	42

6. Parent – Teacher Conference Information – Parent Participation at Fall and Spring Conferences.

	Fall	Spring
2011-2012	48%	32%
2012-2013	45%	33%
Change	-3%	+1%

7.
  - a. THE NUMBER AND PERCENT OF POSTSECONDARY ENROLLMENTS (DUAL ENROLLMENT) 17 students / 1%
  - b. THE NUMBER OF COLLEGE EQUIVALENT COURSES OFFERED ( 16 Advanced Placement Courses)
  - c. THE NUMBER AND PERCENTAGE OF STUDENTS ENROLLED IN COLLEGE EQUIVALENT COURSES 230 students / 13%
  - d. THE NUMBER AND PERCENTAGE OF STUDENTS RECEIVING A SCORE LEADING TO COLLEGE CREDIT (Scores not reported to the school as of June 26, 2013).

Access to the district's core curriculum can be found on the district's curriculum website for all core subjects. Additionally, requested hard copies of the full curriculum can be obtained in the Curriculum Department upon request for those families without internet access. Many parents now access student progress through the PowerSchool Parent Portal. This online system informs parents, in real time, of a student's current grade.

Warren Mott High School staff and administration is committed to a continuous improvement process that will improve student scores and increase the number of students testing proficient on student achievement standardized tests. Working together parents, teachers and administrators can provide a quality educational experience ensuring a bright future for the students of the Warren Mott community. We promise to continue to work diligently with parents and faculty in an atmosphere that promotes a learning community characterized by student centered instruction and decisions, academic excellence, trust, respect, community involvement, excellent communications, and recognition of both student and staff achievement. We're committed to working in collaboration with all stakeholders to continue to develop and implement this shared vision.

Warren Mott High School looks forward to the start of the year with excitement and anticipation. Warren Consolidated Schools have the finest kids, parents, and staff and have so much to be proud of as a staff, family, and community.

Help us to continue to make Warren Mott High School America's premier address in education.

Sincerely,

John Dignan  
Principal
