Dear MMSTC Parents and Students,

Due to recent school funding issues, many families and students are concerned that MMSTC may be eliminated during the upcoming school year. Please know that we are currently actively recruiting for the incoming 9<sup>th</sup> graders and will soon be testing students for the 2010-2011 school year. **There are no plans to eliminate the MMSTC program and a firm commitment has been made to our current students and the incoming 9<sup>th</sup> grade class.**

If you have questions and/or additional concerns, please feel free to call me at any time.

Sincerely,

Lauran K. Hoven
