**Re:** Supper Program Summary Update

---

Below are key points of this program that I request you share with all staff. The success of this depends on student participation.

- The program will begin Monday Sept. 8<sup>th</sup> with meal service from 3:30 - 5:30 PM & adjustments made on demand.
- The students must take at least 3 of the items offered. The students must record their ID# into our register system.
- This program is for WCS students only. An educational enrichment program must be included with this program.
- The meal will be self-serve. We ask that the students be reasonable with what they take and eat all of what they take. They will be allowed to portion out any casserole or hot vegetable that they want. Single serve items will be limited to one (chicken sandwich). If a student is still hungry, they can return for seconds on any casserole item or fruit or vegetable choice.
- The menu will include mixed salad, assorted fresh fruits and vegetables, a hot vegetable and milk. We may also have some unannounced items offered as well. We will have a limited number of subs and salads offered while supplies last. These are left over from lunch. Menu is below.

Monday

- Breaded chicken breast sandwich, salads & subs (for all participants)

Tuesday

- Bosco sticks, salads & subs (for all programs but football)
- Calypso chicken casserole (for football program only)

Wednesday

- Burgers, salads & subs (for all programs but football)
- Broccoli cheese rice casserole (for football program only)

Thursday

- Popcorn chicken, salads & subs (for all programs but football)
- Spaghetti & meat sauce (for football program only)

Friday

- Assorted pizzas, salads & subs (for all participants)
