YOU KNOW US. WE KNOW YOU.

Staff, Students and Parents,

ID cards will be worn in and around the school during the school day.

As you know, we continually strive to make Warren Mott the safest, best educational facility in the state. With that in mind, and knowing the importance of staff, student and visitor identification, everyone is required to wear ID's while in the school building.

We will be giving students their initial student ID and a lanyard to wear around their neck. All students are required to wear their ID on the lanyard in front of their chest, in plain view of everyone. No other form of use is accepted. Students need to use their ID's daily to enter classes, for lunches and other identification purposes.

If your student comes to school without their ID, they will be given the opportunity to call home for someone to bring it to school. If arrangements cannot be made, a new ID will have to be purchased. The cost for a new ID is \$5.00 and a new lanyard, if also needed, costs \$3.00.

Parents, you will be asked to stop at the security desk in the front lobby when you visit our school. You will be issued a temporary ID that you must wear while visiting our building. Most employers require their staff to wear ID's and visitors to wear a temporary ID.

Please support our mission to keep children safe. If your son or daughter is not complying with this simple request, you will be contacted to help us solve this situation.

Sincerely,

Warren Mott Administration
