Dear Warren Mott Community,

At 1:00am this morning, OK2SAY notified Warren Mott High School that an anonymous student planned to bring a gun to school today. The tip also included the name of a different student who may have information.

In response, the WCS Security & Crisis Management Team worked overnight with the Warren Police to investigate, which led us to the anonymous student who had an orange, plastic, toy gun in the trunk of his car. The police retrieved the toy, and the situation was resolved very quickly. Most important, at no time was there a credible threat to the school.

Although this was a toy, our culture of students reporting difficult information was very helpful. I appreciate the continued support of the Warren Police as well as the leadership of Interim Principal Kevin Kittle and his administration.

If you have any questions, please contact the school.

Sincerely,

Robert D. Livernois, Ph.D.  
Superintendent
