Dear WCS Community,

Today at 11:00am, Governor Gretchen Whitmer issued Executive Order No. 2020-21, which is a temporary requirement to suspend activities that are not necessary to sustain or protect life.

This new "stay-at-home" order will NOT have a significant effect on our district because we have already closed our schools and programs. However, we will keep our food distribution sites OPEN for our families because they are considered an essential service.

As we move forward, WCSKIDS.NET remains the best place for information related to this situation, including food distribution, instructional resources, frequently asked questions, and other community services. Also, as I have mentioned previously, there are many questions that we simply cannot answer at this time because we are under strict, state control.

As always, I will keep you posted as things develop, and we will get through this together.

Sincerely,

Lucine

Robert D. Livernois, Ph.D. Superintendent
