July 29, 2020

Dear Summer School Parents/Guardians and Staff:

A staff member in our summer school program tested positive for COVID-19, prompting the district to implement our WCS COVID Policy and Procedures, which include:

1. The Macomb County Health Department was notified and provided the district guidance on our response based on the available information.
2. Students and staff were moved away from the area where the affected individual had been located.
3. The affected areas were cleaned and disinfected to minimize the potential exposure. This includes offices, bathrooms, classrooms, and other areas.

As a precautionary measure, it is recommended that all students and staff self-monitor on a daily basis, and stay home if symptoms such as fever, cough, shortness of breath, sore throat, diarrhea, body aches, or loss of taste or smell occur.

If symptoms do occur, or if a positive COVID-19 test is received, please notify WCS Pandemic Manager Jodi Duplay at 586-698-4564 or [jduplay@wcskids.net](mailto:jduplay@wcskids.net). For testing locations, visit <https://www.macombgov.org/covid19-canigettested>. The Macomb County Health Department also has a COVID Hotline at 586-463-3750 if you have any specific medical questions or concerns.

I will keep you posted as necessary and please continue to be safe and stay healthy.

Sincerely,

Robert D. Livernois, Ph.D.  
Superintendent
