Dear WCS Community,

With the support of the Warren Police, we investigated a threat that was called into OK2SAY late last night. The tip indicated that every school in WCS would be targeted, including Warren Mott High School, but provided no credible name, date, or information. In fact, the tipster reported to OK2SAY that “he or she heard from someone who heard from someone else who reportedly heard it from someone through social media.”

After reviewing with law enforcement into the early morning hours today, and in accordance with our security and crisis protocols, our investigation determined that the threat is not credible. However, given the speed at which misinformation travels, I wanted to keep you informed.

If you have any questions, please contact the school.

Sincerely,

Robert D. Livernois, Ph.D.  
Superintendent
