ALT. 1: Provide and install premanufactured Brock pad under turf system at each site.

ALT. 2: Provide and install three (3) premanufactured storage buildings, one at each tennis courts facility.

ALT. 3: Provide and install black vinyl fence (complete) in lieu of galv/aluminized at tennis courts only.

ALT. 4: Provide and install sand/rubber infill in lieu of all-rubber infill

ALT. 5: Furnish and install (1) 8'x20' tennis practice board and 4" diameter support posts at each site. Final location of practice board shall be determined in the field.
